INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Madam:-

Relative to your application for a share in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or any of your ancestors ever held as slaves? If so, state whether you or they were owned by white people or Indians.

Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same.

Kindly furnish us with a full history of your Cherokee ancestry.

Elmira [illegible], being first duly sworn, deposes and says:

My name is Elmira [illegible]. I live at Eush, Ala. I was born in 1857 in Overton County, Tenn. I claim my Indian blood through my father and his mother. My father died in 19[illegible]1 and was about 75 years old when he died. He was born somewhere in S. C. I don't know what county. Somewhere near Charleston. My grandmother came from the same place. My father and grandmother were known as Cherokee Indians, but lived with white people. I never heard of their living with the tribe. My grandfather used to vote at a place called Charleston. I never heard of my father or my grandmother or great grandfather taking part in any tribal proceedings. My father and grandmother never got any money from the Government. They never called for it. Both of my father's parents claimed Indian blood. My grandfather came from near Charleston S. C., I never heard of a treaty with the Cherokee Indians in 1835. I was living in Tikoville, Tenn in 1882. I don't remember of hearing anything about an enrollment at that time. I have a brother named R. M. Daniel, who has filed an application, who's number is ~~XXXX~~ 30609.

Elmira [illegible]

Subscribed and sworn to before me this [illegible]th day of June, 1909 at [illegible]coltsboro, Ala.

R. M. Daniel being first duly sworn, deposes and says: My name is Robert M. Daniel. I live at Eush, Ala. My father was born in S. C. I claim through my father and his father, Crawford Daniel. Crawford Daniel's mother was named Dicy Clark before she married Randall Daniels. I claim that Dicy Clark was a full blooded Cherokee Indian. She came from S. C. My father said from S. C. There were no counties there then, but it was near Charleston. I don't know whether my father and grandfather lived with the Indians. I don't know whether ~~xxxxxx~~ Crawford Daniels voted or not. I never heard of my father, grandfather or great grandfather being enrolled with the Cherokees. I never heard of them getting any money or land from the Government on account of their Indian blood. My father always told me that he was never enrolled and that he did not think his father and grandfather were enrolled. ~~xxxxxxxx~~ ~~xxxxxxxx~~ grandfather. My father says the Indians were driven out in about 1836 and 1838. My grandfather, Crawford Daniels was in Overton Co. Tenn at that time. He was not driven away at that time, but I never heard why. I never heard my father say anything about his father being with the tribe, or taking any part in tribal matters. My father said he did not know why they were never enrolled. Crawford Daniels had two brothers named Jerry and Nash, and sisters named Mary and Jamie. I never heard of them being enrolled. I think that they were enrolled because they heard that they would be sent out.

My father was born in 1829. I am sure he was born in S. C. instead of N. C. I don't know whether my grandfather was living with the Indians when my father was born or not. Dicy Clark's father was John Clark. My grandmother, Elizabeth Meigs, on my father's side, had no Indian blood.

I am 36 years old.

No. 21055

Thomas Wall, after being first duly sworn, deposes and says:

I am 43 years of age; was born in Choctaw Nation. I claim no Choctaw blood. I claim Cherokee Indian blood through my mother. I got some Indian money from the government in the seventies. They called this an annuity. I did not get an allotment. My father was an adopted Choctaw and tried to get an allotment that way. After that I was too late to get a Cherokee allotment. My mother was 3/4 Cherokee. I have never been affiliated with the Choctaws. I do not know if my mother ever drew any immigrant Cherokee money nor do I know where she was born. My mother's brothers were H. T. Landrum. I do not know if she had any nor or not. My people moved to the Choctaw Nation when I was small. I was put on the rolls of the Cherokee Nation in 1895. My father and mother were married just after the Civil War. My mother died in the Cherokee Nation. I do not think she ever drew any Choctaw money. My father had no Choctaw blood, but was an adopted Choctaw. I have seen my grandmother. She was a full blood Cherokee.

Thomas Wall

SUBSCRIBED and sworn to before me at Okmulgee, Oklahoma, this ninth day of September, 1908.

Assistant to Special Commissioner of the Court of Claims.

Applicant claims to be the son of Rachel Landrum. It is impossible to determine from applicant whether or not mother was living and enrolled in 1852. Claims that Hiram H. Landrum was his uncle. Byram T. Landrum was enrolled as an immigrant 352 Saline District. The only question in this case is that of affiliation. As above stated applicant's father was an adopted Choctaw. Applicant tried to share in payment to Choctaws but never shared in any of those payments. However, applicant was enrolled with the Cherokees in 1870, annuity payment.

Leavenworth Kansas, March 31st, 1908

Special Commissioner of the Court of Claims,
Eastern Cherokee Enrollment,
601 Ouray Building,
Washington D. C.

Dear Sir:-

March the 20th, I wrote you for application blanks, for participation in the Eastern Cherokee Fund, Your reply of the 24th, inst, refusing such blanks because of the expiration of the time for filing applications (August 31st, 1907) has been received, Notwithstanding the fact I and several of my relatives have been for years trying to trace our connection with the Eastern Cherokees, I just received the necessary information from one of my cousins on the 15th of this month (March 15th) So I could not have applied sooner, All the decendants of Fannie Cook. (that I know of) Cherokee Sac and Fox Tribe, My Grand mother whose file number is (21057) live in the East, Baltimore, Philadelphia, Jersey City, and thereabouts, except the children (my brothers, Sisters and my self) of Henry S. Jones- grand son of Fannie Cook aforesaid, The above mentioned letter informed us that Samuel G. Jones, living in Jersey City, only living grand child of Fannie Cook, (full brother of my father Henry S. Jones,) and part of my cousins had received blanks and made application, I cannot think that that part of my relatives living in Baltimore, received this information

prior to August 31st, 1907.because of a letter from one of them in the early winter asking me if I had succeeded in establishing our relations with the Cherokee Indians, The letter of the 15th of March 1908. stated that all the names of the children of my grand parents had been registered in proving their claim, Henry (my father) Arian, Annette, Francis, Mary Hannah, Eliza, Angus, and Samuel G.Jones, are the names given, this being so I cannot see the justice of debarring the children of Henry ~~W~~. Jones, from receiving his part of the claim, And especially as we made application as soon as the above information had been received, Negligence could be charged to my uncle Samuel G. Jones. and those cousins (who have successfully filed) for not informing us earlier, Relying on these facts and believing that the purpose of the government is to deal fairly with all, I again respectfully request application blanks for my brothers, sisters. and my self.

Very Truly,

Madam:-

Replying to your letter of August 12, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in the order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 53,000 applications on file, and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Madam:-

Replying to your letter of June 13, 1907, you are advised that the application blank forwarded you on the 12th of June, was in compliance with your request of June 11,1907, and presumably for your sister, although your letter was not clear on that point.

It is not necessary for you to file any further application for yourself.

Sir:

This office is in receipt of a communication from you, by reference from the Honorable Charles Curtis, in which you ask for an application blank for participation in the Eastern Cherokee fund, and call attention to the fact that certain relatives of yours, living in the East, have filed claims, which you think must have been filed **after** the date named.

It appears, however, from our records that one of your relatives, Emaline F. . Cooper, who filed application No.21057 referred to in your letter, in fact filed said application on March 27, 1907, and another of the family made application July 18, 1907.

I further note from your letter that you claim that Nannie Cook, your great-grandmother was of the "Cherokee, and Fox **Tribe**". I should be glad to have some further particulars as to the tribe to which Nannie Cook did belong.

No order of the Court of Claims limiting a time for the filing of applications to August 31, 1907, as to all

readily understand I have no authority to extend this limit.

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you ever held as a slave? Were either of your parents or other ancestors ever so held? If so, state whether you or they were owned by white people or Indians.

Kindly furnish this office with a full history of your Cherokee ancestry.

It would appear from a letter on file, that your sister, Emmeline B. Copper, has recently died. Is this correct?

I am 47 years of age; was born in Cherokee County, N.C.; have lived in North Carolina, Georgia and Tennessee all my life. I claim Cherokee Indian blood through my father. My father never received any Indian money from the government. I do not know if my grandparents ever received any Indian money. I have never received any Indian money and have never tried before to get any. My father died when I was small. I never saw any Cherokee Indians in N.C. that I remember. I have always lived with white people and think my father did. None of my relatives ever received any Indian money that I know of.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your mother and those of your other ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your father? If so, set out the source of the same.

Were either of your parents or any of your other ancestors held as slaves? If so, state whether they were owned by white people or Indians.

Kindly furnish us with a complete history of your Cherokee ancestry.

Dear Sir -

Your letter of 23rd of Jan rec'd

I Claim the right to participate in this fund through my Grand mother on my Father's Side - Hannah Weeks (or Weeds) Who married my Grand Father, and was ever afterwards known as Hannah Hays.

I also Claim through my Great Grand Father on my Mother's Side, whose name was George ~~Hyde~~ Axe

I do not Know Why my Parents were never enrolled, except they just neglected it -

I don't Know Why my Grand Parents were never enrolled, unless it be that they neglected it.

I have not been enrolled because I was ignorant of my rights & had no chance.

My reason for thinking that I am a Cherokee Indian is that Hannah Hays my Great Grand Mother on my Father's Side was one half Indian. and my Great Grand Father on my Mother's Side was a full Indian - his name was George Axe -

Yours very Resp't

I am about 57 years of age. I wasn't born until after 51. My father was an Old Settler and my mother was an Emmigrant. My mother's name was Ga-dih or Katie. Think she was living with Dave Tucker in Tahlequah District in 51. Dave Tucker was an Old Settler. My mother came from Going Snake District. My mother's mother was named Chow-a-you-cuh. My mother had a half brother on the mother's side name Zeke, then Dick was a full brother of Zeke and then the oldest one was named John or Joh-nih, then there was another brother named Ga-scaw-nih, don't know what his English name. Zeke is still living and I think he took the name of Tucker now from his step father. His post office is Peggs. See G.S.588. I am a Night Hawk.
I was notified to testify at Tahlequah.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors who were living in 1835 and 1851, who you claim possessed Cherokee blood, do not appear on the rolls of those dates.

Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same. Were either of your parents or any of your other ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Why do you state you claim through your father's brothers instead of through your father? Kindly give us a full history of your Cherokee ancestry.

Very respectfully,

Special Commissioner.

Sir:-

Relative to application #21106 for minor children to participate in the Eastern Cherokee Fund, kindly state why the names of their maternal grandparents do not appear on the Cherokee rolls of 1835 and 1851.

Have any of the minors been enrolled by the Dawes Commission? If so, give the number of their enrollment and indicate on what roll their names appear.

Madam:-

In reference to your application #21110 for a share in the Eastern Cherokee Fund, I beg to advise you that same is filled out in a very defective manner, both as to being incomplete and indistinctly written. Will you kindly state again the names of each of your ancestors who you claim possessed Cherokee blood? None of the parties mentioned in your application, as we make out the names, appear on the Cherokee rolls of 1835 and 1851. Kindly state why they are not on either of those rolls.

When were you born? Were either of your parents or any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Kindly furnish us with a full history of your Cherokee ancestry, being careful to write and spell correctly.

Very respectfully,

Special Commissioner.

Dear Madam:-

In reference to your application for a Certificate of Naturalization, I am directed by the Secretary of State to inform you that he is unable to grant your application at present.

The Secretary of State is not satisfied that you have had sufficient knowledge of the English language, manners and customs to qualify you for the rights and privileges of a British subject.

If you wish to renew your application at any time, you should communicate with the Secretary of State.

Yours faithfully,

App. No. 21114

Madam:-

In reference to your application #21114 for participation in the Eastern Cherokee Fund, we note that you give the name of your father as William H. Wade, and you state the name of your grandparents on your father's side was Ward. Kindly re-state the names of all of your ancestors, beginning with your parents and going back as far as you can, giving the full Indian and English names of each.

We are unable to locate any of the parties mentioned in your application, on the Cherokee rolls of 1835 and 1851. Under what names do you claim they were enrolled? Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same.

Was your father or any of your ancestors ever held as a slave? If so, were they owned by white people or Indians?

Give all the information you can tending to establish your right to participate in this fund.

Very respectfully,

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors who were claimed possessed Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee roll of those dates.

Do you claim any Cherokee blood whatever through your mother? If so, not out the source of the same. Why has not your father made application to participate in this fund? Kindly furnish me with his present address.

Did your father or any other of your ancestors ever participate in any Old Settler payment? If so, state when and where, and under what names they were enrolled. On what roll to you claim your father's name appears, when and state he was enrolled as a child?

Have you been enrolled by the Dawes Commission? If no, give the number of your enrollment and indicate on what roll your name appears.

Appl. #21120

Mary M. Tadlock being first duly sworn, deposes and says:
My name is Mary M. TadlocK .
I am not enrolled by the Dawes Commission.
I claim my Indian blood through my father, LeRoy D. Martin. who was born in Tenn. He is living now, but did not file and appl. He is 75 years old. I don't remember what Co. in Tenn. he was born. He lived there until he was 13 years old and then went to Ala. and then to Texas. [redacted] I could not say whether he lived with the Indians or white people in Tenn. I think he was a recognized member of the Cherokee Indians. He was never enrolled because he did not want to have anything to do with the Indians. [redacted] I could not tell you whether he was a member of the tribe in 1835. [redacted] I have heard him speak of living with the Indians in Tenn. I could not tell you why he did not move out with the Indians when they moved west. My father never received any money or land from the Govt on account of his Indian blood. I don't make any claim through my mother. My father is a quarteroon.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, I beg to advise you that I am unable to locate any of the parties mentioned in your application, on the Cherokee rolls of 1835 and 1851. If you claim they were on either of these rolls, under what names were they enrolled? If not enrolled, state the reason why.

Did either of your parents or any of your ancestors ever participate in any Old Settler payment? If so, state when and where.

How does your father come to have the name of Landrum when his father's name was Dickson? Do you claim to be a full-blood Cherokee? Have you been enrolled by the Dawes Commission? If so, state the number of your enrollment and indicate on what roll your name appears.

Kindly furnish us with the correct names of all your ancestors who you claim were on the roll of 1851, being careful to spell the same correctly.

Very respectfully,

Special Commissioner.

Dear Sir:-

We are writing for claimant Nan Manuel Application No. 21122 for participation in the Eastern Cherokee Fund. She has stated in her original application about all the facts of which she is possessed. She is claiming through her Grandfather on her mother's side. His name was Trunk Seven and he participated in a payment at old Fort Gibson after he came to this country about, she thinks, 1847. She thinks it was the first payment made to the Cherokees after they came to this country. He was at thattime an old man and a full blood Cherokee. He had one brother named Charley ~~XXX~~ Seven. In her original application she gave, she thinks, the Cherokee nameas nearly as she could ma ke it out in English. If he was not enrolled she knows no reason why. Her father was a freedman and named Landrum from his old master's name in slavery times and his father was named Dickson for a similar reason. She does not claim to be a full-blood Cherokee. She has been enrolled by the Dawes Commission as a Cherokee Freedman, under the name of Nan Mackey, Roll No. 1251, having been married to Manuel since her enrollment. She thinks her grandfather, Trunk Seven's name was on the Roll of 1851 but is not certain. She knows that he was living at that time. The Cherokee name is Cherokee for Trunk Seven and as she pronounces it is Cŭn-nā-sĭ-ēē Cŭl-quȧ-kē.

Very truly yours,

Schofield & Burlingame,

Replying to yours of 2nd.inst. addressed to Nan Manuel, Checotah, Oklahoma.

Tobias B. Gibson,
Dickson, Tenn.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your mother and those of your other ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Give the date of your birth? Were you or either of your parents ever held as a slave? If so, state by whom you were owned.

Kindly furnish us with a full history of your Cherokee ancestry.

Very respectfully,

says: T. B. Gibson, being first duly sworn, deposes and

I am 54 years of age; was born in Decatur County, Tenn., have spent all my life in Tennessee. I claim Cherokee Indian blood through my mother. My aunt told me of my Indian blood first when I asked her the reason my two oldest children did not talk plain. She said it was because of their Indian blood. My mother got her Indian blood from her mother. I saw my grandmother when I was about seven years of age and I just recollect her. She was living in Decatur County. When I knew her she was a recognized white woman and lived with white people. I have never received any Indian money from the government and have never before tried to get any. My mother never received any Indian money. Neither my mother nor myself have ever lived with the Indians. I have never heard of Hester, the enrolling agent in 1884.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why your mother's name and those of your other ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you ever held as a slave? Was your mother or any of your ancestors ever so held? If so, state whether you or they were owned by white people or Indians.

Kindly furnish us with a full history of your Cherokee ancestry.

Enf. No. 21,32

I, Samuel Carver of Chattanooga Tenn. am the husband of Mary L. Carver, and have known said Mary Carver and her people for twenty years and more. I am not an Indian

Neither my wife nor I know any thing about the enrollments of 1835 and 1851. We do not know why the ancestors of my wife were not enrolled unless it was due to the fact of their remote secluded place of abode in Pickens County Ga. My wife has no negro blood in her lineage and was never held as a slave.

The father and mother of Mary L. Carver were by name James Foster & Eliza (?) Foster and lived in Pickens County Ga and were generally recognized as having Indian blood in them to the extent of 1/4 to 1/2 and they claimed to be and were reputed to be Cherokee Indians and white blood mixed.

Sir:—

In reply to your notice of April 2 1906. in Applic # 21142, as far as my knowledge ~~information~~ goes it is this:—

My fathers mothers name was Peggy— and believed to have been a Foreman, & later became the Step child of one Adam Seabolt— Hence her name either as Foreman or Seabolt— If she was really a Foreman she may later have taken the name of Seabolt her step father—

She had ~~four~~ two children named Usery, Napolem & Jim or James; Then She had another child named Griffin, Andy Griffin — as to formal marriage to the Griffin name is to me unknown —

My mother was a Cherokee Indian by blood, her maiden name was Alice Freshour as generally understood, her fathers name was Wallace Freshour, her mothers maiden name was Lade Brady—

As to where, when or how they were enrolled I am unable to say—

Sam Usery my grand father was a half blood Cherokee Indian—

He was residing in the Cherokee Nation west in Tah-le-quah or Flint Districts — in 1851.

The Horton name has no place in the claim at all — it was an error by the person who drew the work of making the claim —

Have been enrolled by the Dawes Commission, Cherokee Roll # 15693.

I do not know whether Akey Scales had any ~~claim~~ [illegible] or no.

Mary Ella Gamble, being duly sworn and examined, deposes and says:

My name is Mary Ella Gamble. I will be 31 years old next month. I was born in Chatooga Co., Ga. I claim my Indian blood through my father, Parks Kellet. He claimed through his father, who I was taught was a full-Cherokee Indian. His name was Cass Kellet. My father was born in So. Carolina near the So. Car. line. I never heard where my grandfather was born. I came here when I was a small child; my mother brought me here. I was five months old when my father went away. My mother is dead. She died in 1895. I have heard my mother speak of my father having several brothers and sisters, one sister was named Vina. I have always heard that my father was a half Cherokee and his father a full-blood. I never heard that my father or grandfather ever received any Indian money.

Mary P. Collier, being first duly sworn, deposes and says:

I am 40 years of age; I claim Cherokee Indian blood through my mother. My mother was born in Gibson County, Tenn. I have never received any Indian money from the government and have never tried before tonget any. My mother never received any Indian money and never tried to get any that I know of. My mother did not live with the Indians. She claimed her Indian blood through her father. I have seen my grandfather, my mother's father, Jackson Bryant, and he lived in Gibson County, Tenn. None of my relatives ever received any Indian money that I know of. My grandfather, Jackson Bryant was born in Gibson County, Tenn. None of my brothers or sisters made application for any of this Indian money. They live in Gibson County.

COURT OF CLAIMS

Rec. SEP 21 1908
No. 21145

Relative to Indian claim No. 21145 of Mary P. Collier, of Dickson, Tennessee.

For some reason that I have never heard, or have forgotten, her people to whom she traces this claim were not enrolled in 1851.

I have often heard her people and others who should know, say that they came originally from the Carolinas to Gibson County, Tennessee.

I know that they lived in Gibson County, Tenn. in the years 1835, 1836, and from 1846 to 1851 from the fact that I have often heard her grandfather say it in his conversations about those times, and from other sources.

I am sure that none of the family were ever slaves for I never heard any rumor to that effect and I know that the applicants great-grandfather was well to do and understand from the family that his father was well off.

Mary P. Collier, the applicant in this case was raised within one mile of me; she was the grand-daughter of Jack Bryant on her mother's side. It was easily perceptible that Jack Bryant was of Indian blood, and while I did not know his (Jack Bryant's) father - and the great grandfather of the applicant - it was understood in the neighborhood and I have often been told that he was a full blood Cherokee.

The whole family showed that they were of Indian decent, and Jack Bryant had a sister whose hair was jet black and straight as any Indians., when she was 80 yrs. old.

The applicans father's name was ,Thomas Akin, her mothers name "Louisa Akin"; Louisa Akin was the daughter of Jack Bryant.

I have heard for 25 years that there was a claim due these people from the United States Government; I

I dont know why her people to whom she traces this claim were not enrolled in 1851.

I always understood from her people, by reports that they originally came from the Carolins when they came to Gibson CO, Tenn.,

By hearing her Grandfather talk, and from other personable knowledge , know that they lived in Gibson Co, Tenn, in the yeard 1835-36 & 1846 to 1851.,

I think from all I have known and heard of them, none were ever slaves, for know that the applicants great-grandfather was right well to do, and that none were ever slaves.

The Applicant in this case Mary P.Collier, and myself were raised within two miles of eachother, and I knew her mother to be the daughter of Jack Bryant who was perceptibly of Indian blood, and was so regarded, and while I did not know her great grandfater, the father of this Jack Bryant, but heard and it was understood that he was full blood Indian of the Cherokee tribe.

They showed perceptibly that they had Indian blood, and I do know that thsi Jack Bryant had a sister that lived to be quite old, and even at 90 yrs of age her hair was jet black and straight as a pencil.

The applicants fathers name was "Thomas Akin, her mothers name "Louisa" Akin, the daughter of Jack Bryant

Dear Sir:-

I enclose herewith application of William Ralph Guinn and Ethel Ruth Guinn for sharing in the distribution of the Eastern Cherokee Fund. Not knowing what the rules of the Department in respect to the filing of applications for minors are, I had their mother make out this application. The father of these children recently was shot and killed about the time he was preparing to file his application. The mother Mrs. Abbie Guinn has been appointed administratrix of the estate of her deceased husband, but as yet no guardian has been appointed for the children, but will be in a short time. In the absence of a regularly appointed guardian, I thought the mother was the proper and only one to file the application. I had no regular blank for minors, so I have used the adult blank as best I could.

Very respectfully,

Lizzie Pettitt,

Braggs, Okla.

Madam:-

You claim a right for Jennie Pettitt and others to share in the distribution of the Eastern Cherokee fund, through their parents, who you state were Cherokee Indians.

The names of their grandparents as given in this application do not appear upon the Cherokee roll of 1851. Please spell carefully and correctly the names used by their grandparents in enrollment with the Eastern Cherokees in 1851: also give the names of the families who were enrolled with them at that time.

Have these children been enrolled by the Dawes Commission? If so, give their numbers and indicate on what roll their names appear.

Were any of their ancestors ever enrolled with the Old Settlers?

Respectfully,

Special Commissioner.

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

App. #21161.

August 2, 1907.

E. T. Curtis,

Polk,

Tennessee.

Sir:-

Replying to your letter of July 29, 1907, you are advised that the applications, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, have not been taken up for final consideration, as the Court in its order of April 29, 1907 extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC. Special Commissioner.

Special Com.

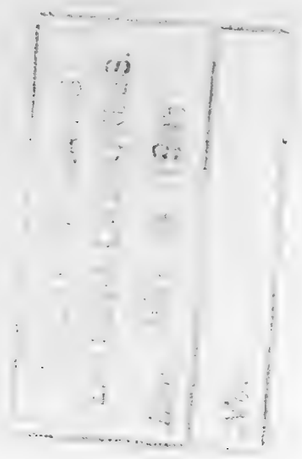

Sir- in answer to your questions, to me submitted March 18 1908, relative to my claim for partition participation in fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees I have to say, that I was living at South Pittsburg Tenn in 1882. I never knew any thing about an enrollment at that nor any other time before making out my claim I cant state positively why mother was not enrolled in 1857, but think she had no knowledge of any enrollment She was living on Hiwasha River in McMinn Co. Tenn. in 1834-35. My grand mother was dead at that time- my grand father was dead also. I was not a slave- my grand parents were White and Indian blood.

Hope these answers will be satisfactory.

I would like to know why the claim of Andrew Jackson Woodall, filed at the same time mine was, has not been noticed in connexion with this evidence asked for in support of my applications

Henry J. Franklin, being duly sworn and examined, deposes and says:

My name is Henry J. Franklin. My age is about 63 years. My father was John Franklin. My mother was Mary Maples. I claim Indian blood through my father. My father was about a quarter-blood. He got his blood through his father Henry Franklin, and he got his from his father I suppose. His given name was Henry. That is, my grandfather was named Henry and my grandfather also. My great-grandfather's wife's name was Betty Gibbs. I have never heard that Betty Gibbs was Indian, but understand that my great-grandfather was a full-blood Cherokee. I have heard that my great-grandmother was a descendant of Sawnooke. My father is 87 years old. He lives in the City of Knoxville, Tenn. He lives on Coleman St., Knoxville, or Coleman Ave. My father was living in Sevier Co., Tenn. in 1851. My grandfather was not living at that time. I don not know why my grandfather was not enrolled in 1835 or 1851. I never heard of any money coming to us from the government. We have passed as white people but I have always heard it said that we had some Indian blood. I have heard that we had an ancestor by the name of Gardner Green but I cannot tell what the relationship is. My father was born in Burke Co., and his father was raised there also, I think.

My name is Mary Caroline Tallent. I am 76 years old. I was born in Georgia, I think in Macon Co. I was six months old when we moved to Tennessee. I am an aunt of Elizabeth Mason. (#30984). Ellie Smith was another sister's daughter (#21184). My father and mother's name was Sanders,-father John Sanders and mother Elizabeth or Betsey Sanders. She was raised by the name of Ellison but that was not her right name. My mother never went west. My grandfather and some of the family did go west. I was married in 1848. I was not enrolled in 1851 that I know of. She was living here in Monroe County and at that time she was known by the name of McKinney having married again, and had four children. I do not remember ever hearing her called by any Indian name. She never drew any money that I know of. My mother said that her mother was half-Indian. I think she said Cherokee Indian. I never heard any talk of enrollment. She was living here at that time. We would not allow mother to say that we were Indian, but she would laugh and say that we certainly were kin to the Indians and were going to draw a lot of money some day.

No.21187.

William H. Wilson being first duly sworn deposes and says:

I live in Surry County, postoffice, Mt. Airy, N.C. I am 57 years of age. My father was Leroy Wilson, and I claim my Indian blood through him. He has been dead 20 or 25 years. He was about 70 years of age at the time of his death. I do not where he was born, he was raised in Halifax and Rockingham Counties, Virginia. His Indian blood came through his father's mother. His father was Dick Wilson. I never heard where Dick Wilson came from. I did not know him personally. I do not know whether he ever lived in Surry County, or not. Dick Wilson's mother was an Indian woman, but I do not know her name. I do not know where she lived. She belonged to the Cherokee tribe of Indians, my father always told me. Others have told me this also. I have always passed in my community as a White man. My father also passed as a White man. I have never applied for Indian money before. I never before heard of any. My father never applied or received any money that I know of. I expect my father was living in Virginia in 1835. I know of no reason why he was not enrolled with the Cherokee Indians in 1851. I know of no reason why my grandfather, Dick Wilson was not enrolled with the Cherokees in 1835. I did not hear of any enrollment of Cherokees in 1882 or 1883 or 1884. I expect I was living in Virginia at that time. I know of no one who could furnish the name of the Indian squaw who I claim as an ancestor. I do not know when she was born or when she died. I trace my Indian blood only through this one line. This is all the information I have in regard to the matter. I was born in Stokes County, and lived there until I was nearly grown, and moved to Virginia, and then came back to Stokes, and lived there until about 5 years ago, when I came to Surry. I lived in Patrick County, Virginia.

Maria Ross, being duly sworn, deposes and says:

My name is Maria Ross. I am about 59 years old. I have lived in the Territory all my life. I claim through my mother, Lucy Rider. I was enrolled with the Daws Commission, Cherokee Freedman Roll No. 2580. Cert. No. 11911. I have been enrolled with every enrollment. I have received money at each enrollment. My mother lived close to $ Chotaw. My mother was born in Georgia and was brought here with the Cherokees at the time of the emigration. My mother was owned by a Woman by the name of Alberty, who married a Rider. My mother has been dead eight years. She was on every enrollment. She got both money and land from the Government. I have heard her speak of an enrollment before the war, but do not know whether she got any money. I never belonged to any other tribe than the Cherokees. The Riders owned me. I was born before the war. I have no witnesses to put on the stand.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita.*

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 2.1.1.9.1..... for your own share of this fund, but it does not show whether you have any minor children. You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.
